Dear Mrs Williams:

I am writing to tell you I have decided to accept your offer to room and board the ball club, while they are in Jacksonville for training this spring.

The cost is to be \$2.00 a day for each man for his board, and \$35.00 a week for twenty men for rooms. This will make the total for 20 men \$315.00 for a week.

We will arrive April 1st. I will write you again to let you know about what time.

Please send me a confirmation on this agreement, so I will be sure of the rooms and board. I will appreciate hearing from you soon.

Very Truly Yours
